Procedures and Routines

- **ARRIVAL AT SCHOOL**: Students not to arrive prior to 8:30 a.m., there is no supervision prior to 8:30 am. Students shall enter in an orderly single file fashion.
- **DISMISSAL FROM SCHOOL**: Students shall leave the school property promptly upon dismissal, at 3:10 pm unless they are part of a supervised activity, or are bus students.
- **PERMISSION NOTES FROM PARENTS**: We require a written and signed note from you if your child is to do something which is not a part of his/her daily school routine. Students must submit permission signed by parent/guardian to the Principal/Designate prior to leaving school property. Examples include: leaving school before the usual dismissal time; leaving school for a medical appointment.
- **VISITORS**: Parents and other visitors are most welcome at Mother St. Bride Catholic School. When you have occasion to visit the school, please check in at the office upon arrival. This procedure assists us in maintaining a safe school environment. If picking up a student, please wait in the designated parent waiting area. No one is allowed to proceed to classrooms without checking in at the office.
- **EMERGENCIES**: In the event of an emergency, staff utilize parent completed emergency forms to make contact; please ensure that we have your up-to-date home address and phone number, as well as the name, address and phone number of another adult who may be contacted if we are unable to reach you. This form is issued to your child/children at the beginning of the school year. Please ensure that changes in contact information are reported to the School office, as necessary.
- **ALLERGIES**: The number of children allergic to peanut butter and nut products is growing, and Mother St. Bride School will have some students at the very highest risk level. Although this may or may not affect your child’s class directly, we require that foods sent to school with your child be free from peanut or nut products. Since it is our goal to ensure as safe an environment as possible, when a child’s life is at stake, we are asking for your understanding in following this guideline.
- **MEDICATION**: A special authorization form must be signed by the doctor and parent or guardian (Board Policy) when a child requires the administration of medication at school. These forms are obtained from the school office and must be completed before any medication can be administered by the school. Medication must be stored at the school office. Appropriate parent/doctor forms must be submitted.
- **NUTRITION**: Students have two twenty minute periods to eat. After this time, they are dismissed outside, weather permitting. Students should have a healthy, nutritious lunch. Fresh fruit, vegetables, sandwiches and juice are highly recommended items. Healthy eating is essential for students to maximize their learning potential. For all nutrition breaks (lunches) students must remain on the School premises (unless a Parent/Guardian visits the School to accompany the child).
- **USE OF SCHOOL TELEPHONES**: Students are asked to make personal arrangements before coming to school. Only in special and necessary circumstances do we allow students access to our school phones.
- **ELECTRONIC EQUIPMENT**: (includes cell/ smartphone, computers, and all audio and visual devices) The school will not be held responsible for the loss or theft of any item and students are asked not to bring such expensive items with them to school. As well, the use of smart/camera phones and other visual or audio recording devices to record individuals without their expressed permission is in no way legally permitted on any school property. Cell phones are not allowed to be used during the school day (cell phones must be stored in lockers or school bags at all times).
- **INCLEMENT WEATHER**: Procedures are in place for indoor recesses during wet, rainy weather in the Fall and Spring. In the Winter, when there are extreme temperatures, we do keep the children indoors (or have shortened recesses). Children should come to school dressed for the weather expected for the day.
- **REQUESTS FOR KEEPING CHILDREN INSIDE DURING RECESS**: Requests to keep children indoors during recesses due to illness are very difficult to accommodate; unfortunately, we do not have the extra staff to look after these requests, therefore, we have to limit it to particular medical instances. Exceptions will be made for students who suffer from asthma or bronchial conditions, those who have sustained a major injury or those who have a doctor’s note explaining the special medical circumstances. As indicated by our Health Unit, students should not return to school until they are fully recuperated; this will prevent the spread of ailments such as the flu or common cold.
- **BUS TRANSPORTATION**: It is the policy in our school that any child who comes to school by bus will return home by bus. If, for some reason, you do not want your child to take the bus home, please advise the school by either sending a note to the teacher or calling the office. Students can only board the bus to which they are assigned. Boarding a different bus to visit a friend, or to attend a birthday party or sleep-over, etc., cannot be accommodated within the Board’s bus policy. All students must obey the School Board issued school bus rules; treat the bus driver and peers with courtesy and respect at all times; move directly to assigned playground areas upon arrival; be on time and move directly to assigned bus lines when leaving for home; remain in bus and behave in an appropriate manner.
- **REPORTING STUDENT PROGRESS**: As the year progresses, there will be opportunities to meet with your child’s teachers. Teachers and parents are encouraged to be in contact regularly to discuss concerns as they occur. Specific dates for formal, written reports will be conveyed to parents in future newsletters.
- **SCHOOL NEWSLETTER**: Our school newsletter is an important means of communication with our families. The school newsletter is sent home at the beginning of each month and is used to keep parents informed about upcoming events/school activities. Please look for the monthly newsletter on brightly coloured paper.
- **LOST AND FOUND**: A box of lost and found articles is kept in a central location; parents and students are welcome to check this box when something is missing. Please assist by putting names on all personal property. Students are responsible for their personal items and should not bring valuable articles to school. Please label all personal belongings with your child’s name, particularly lunch kits and gym shoes. Any loss of personal possessions should be reported to the child’s teacher or the office, and every effort will be made to recover these items. **NOTE**: Valuable items (electronic games, audio devices, jewelry, etc.) should not be brought to school. The school cannot be held responsible for loss or damage.
- **HOLIDAYS/PROFESSIONAL DEVELOPMENT DAYS**: Parents will be notified through our monthly newsletter of these dates and/or any changes (a calendar indicating these days is also distributed on the first day of School).

Rationale

The Ministry of Education in the Provincial Code of Conduct for Ontario Schools requires that each school develop a code of conduct that promotes responsibility, respect, civility, and academic excellence in a safe, inclusive and accepting learning and teaching environment. These standards of behavior apply to students whether they are on school property, on school buses, at school related events or activities or in other circumstances that can have an impact on the school climate. They also apply to all individuals involved in our Catholic schools: principals, teachers, other school staff, parents, volunteers and community groups.

At Mother St. Bride Catholic School we are committed to making our Catholic school a place where:

- Students, parents, teachers, other school staff, volunteers and community groups have the right to be safe, welcomed and accepted;
- Healthy and respectful relationships based on Christ's teachings are promoted among all members of the school community;
- Students are encouraged to be leaders;
- Students, staff, parents and community members are expected to be positive role models and actively engaged;
- Positive behaviour is reinforced and celebrated;
- The Catholic Graduate Expectations are emphasized and support the improvement of learning outcomes for all students;
- Everyone is respected and valued.

Desks and lockers are school property and as such there is no expectation of privacy on the part of students; therefore, a search of such property is permissible by the school administrator. In this case, the Principal or the Vice-Principal is acting under the authority of the Education Act to maintain proper order and discipline in the school, and not as an agent of the police.
